Facade lighting gives a professional shape to the image of a townscape and attracts attentions. But the lighting which is not properly directed onto a façade can cause an unnecessary waist of electricity and lighting pollution. We empower you to light up your façade with the best possible LED wall washer lights and the best performance with min glare.
22W LINEAR WALL WASHER
P/N: LU022WW-RC01

BENEFITS:
1. Ideal choice for all outdoor/indoor walls washing application.

3. Super energy efficient.
4. Precision die casting aluminum housing with tempered glass.
5. 3 years warranty.

ELECTRICAL FEATURES
- CREE LED
- 2200lm warm white output
- 22W power consumption
- 110-240V AC, 50-60Hz power supply
- 5° | 12.5° | 20° | 30° | 60° |
  15x30° | 10x60° beam angle
- Life time Hours >50000
- CRI: >80

MECHANICAL FEATURES
- Floor / Wall mounted installation
- Die casting aluminum body material
- Die casting aluminum frame material
- Tempered glass diffuser
- Weight 3.5kg

Available Color Temperature
- 2700
- 3000
- 4000
- 5000
ELECTRICAL FEATURES

- CREE LED
- 1100lm warm white output
- 11W power consumption
- 24V DC power supply
- 5° | 12.5° | 20° | 30° | 60° |
